

Halal Flavour Range

Across the world today there is a need for a wide range of food and beverages to be Halal certified or suitable.

This flavour range has been developed with this in mind and complements the 500+ Halal certified products we offer for use in the food and beverage industry.

Application Information

Produced using Propylene Glycol in place of ethanol as the carrier solvent. These flavours are perfect for:

- Adding natural citrus flavours to juices
- Flavoured waters
- Carbonated and non-carbonated soft drinks

Features & Benefits

- Halal suitable
- Water soluble
- Natural flavours
- Suitable for a wide range of beverage applications
- Manufactured using the finest quality natural ingredients
- Developed by our expert flavour specialists ensuring a 'true to the fruit' taste
