

## Infusions Range

The latest extension to Lionel Hitchen's innovative product portfolio, our 'Infusions Range' is perfect for use in a variety of beverage products.

An ever-growing range of natural extracts obtained by aqueous ethanol infusion of a variety of herbs, spices and named chillies suitable for use across the beverage industry.

### Application Information

Our infusions offer an excellent means to add natural, consistent and concentrated flavour to many beverage applications, including:

- Juices
- Carbonated soft drinks
- Tonic water
- Coconut water
- Non-dairy milks
- Concentrated cordials

### Features & Benefits

- Natural
- Clean label
- No dilution required
- Water-soluble
- Developed by our expert flavour specialists ensuring a 'true to the herb or spice' taste
- Low and similar dosage rates throughout the range
- Manufactured using our highest quality herbs and spices
- Ease of use throughout the range concerning solubility and viscosity
