

Infusions Range

The latest extension to Lionel Hitchen's innovative product portfolio, our 'Infusions Range' is perfect for use in a variety of beverage products.

An ever-growing range of natural extracts obtained by aqueous ethanol infusion of a variety of herbs, spices and named chillies suitable for use across the beverage industry.

Application Information

Our infusions offer an excellent means to add natural, consistent, and concentrated flavour to many beverage applications, including:

- Juices
- Carbonated soft drinks
- Tonic water
- Coconut water
- Non-dairy milks
- Concentrated cordials

Guide dosage: 0.1 – 0.3% dependent on application

Features & Benefits

- Natural
- Clean label
- No dilution required
- Water-soluble
- Developed by our expert flavour specialists ensuring a 'true to the herb or spice' taste
- Low and similar dosage rates throughout the range
- Manufactured using our highest quality herbs and spices
- Ease of use throughout the range concerning solubility and viscosity

Product Range
