

# HITCHEN KITCHEN - Alcohol Flavours

Our Alcohol Flavours range has been developed to support the growing diversity of alcoholic and non alcoholic drinks. Drawing on classic spirits alongside contemporary flavour profiles, the range is designed to deliver authenticity, balance and consistency in finished products. The flavours below represent a small selection of our more established alcohol profiles, created to work across a variety of beverage applications and to support both familiar styles and new product development.

## Gin

Floral, lemon

## Tequila

fruity, woody

## Brandy

Sweet with fruit and winy note

## Whiskey

Wood, vanilla, intense

## Vodka

Sweet, alcohol character

## White Rum

Rummy, alcoholic, with sweet notes

## Alcohol Sensation

Sensation of alcohol burn

## Amaretto

Almondy, nutty, sweet

Also in this range: Golden Rum, Dark Rum, Spiced Rum and Aperol
